

Pre-recorded Network commercial inventory is delivered via Skyview Networks via Synchronicity. In addition to your show download folder, you will be assigned a commercial download folder. | www.Synchronicity.co

NOTES:

- Program segments and network commercials are delivered via Synchronicity
- All segments end with "It's Bob & Sheri"
- Network commercials are to be scheduled in the first position in the stopset
- Live read commercials are included in the program segments;
These will be shown on the commercial log and no recorded commercial will be provided for that position
